Commercial Conditions

- This proposal is valid until **30/11/2026** , after which we reserve the right to ratify or change the conditions presented herein. Both parties reserve the right to discuss any changes in the market that directly or indirectly imply **changes** in the products and services specified herein, as well as in their costs and prices.
- All information submitted, as well as the responses and information provided in our proposal and prior conversations will be treated confidentially, **solely** and **exclusively between the parties.**
- Getnet receivables shall be settled in a **Santander account**.
- The formalization of the acceptance of this proposal as well as responsibilities, implementation schedule, tests and interfaces will be defined and agreed between the parties.
- The Partnership is valid for **12 months** (1 YEAR), potentially being automatically expanded during the period if both parties agree on it.
- The rates and fees presented here were composed based on the costs, transaction volumes, mix, flags and average market products reported.
- If the **MCC is not validated by the brand, the MCC** and **consequently the fees** will be exchanged.
- All prices are subject to review according to changes in the economic and market scenario.
- Adherence to the Acquiring and additional services rates must be made by signing a Contract describing all agreed conditions, which may be reviewed upon prior agreement.
- According to the internal governance of MoR operations, once we receive the formal acceptance, we will initiate the internal procedures for approval within the risk areas and, subsequently, the deliberation by the committee for contractual signing. For this, we need the updated governance documents.
